Studio Shodwe

Build trust with your audience

Studio Shodwe is all about creating meaningful, creative designs that connect with people and bring ideas to life. We build trust with our audience through quality work, clear communication, and a genuine understanding of their needs. Our audience includes brands, businesses, and individuals looking for creative solutions that reflect their vision and help them stand out.

Logo Guides

The Studio Showq logo represents our creative identity and vision. It should be used consistently across all platforms, maintaining its original proportions, colors, and clarity. Avoid stretching, distorting, or changing the logo’s colors to ensure a professional and recognizable brand image.

Studio Shodwe

The four brand colors work together to reflect Studio Showq’s creative personality and visual identity. Use them consistently across designs to maintain a cohesive, recognizable, and balanced brand aesthetic.

Color palette

The Studio Showq color palette reflects our brand’s personality, bringing together carefully selected colors to create a consistent, expressive, and recognizable visual identity.

Our four core colors represent Studio Showq’s creative spirit and personality, working together to create a balanced, distinctive, and consistent brand identity across all platforms.

Logo Usage

Use the Studio Showq logo consistently across all brand materials, ensuring proper placement, clear visibility, and sufficient spacing to maintain a polished and professional look.

Supporting Visual Assets

Studio Showq’s visual assets, including icons, illustrations, patterns, and graphics, should align with the brand’s creative style and color palette to ensure a cohesive and recognizable identity across all platforms.

Typography

Studio Showq’s typography combines readability with creative expression, using consistent fonts, sizes, and weights to maintain a clear visual hierarchy and a cohesive brand identity across all communications.
