"Fall in Love with your Skin"

MARKET SEGMENTATION

Demographic

Females
Aged 21 to 45
Income level < Rs.1.2 million annually (SEC A & B)

Geographic

City slickers
Urban area residents
Lahore, Islamabad, Karachi

Psychographic (attitudes and motivations)

Skin savvy: skin conscious individuals who take care of the way they look
Self care lovers: people who want a luxurious and premium lifestyle
Busy bees: individuals who don't have time to go to salons, thereby are looking for convenience
Health enthusiasts: consumers who prioritize natural and organic products

Behavioral

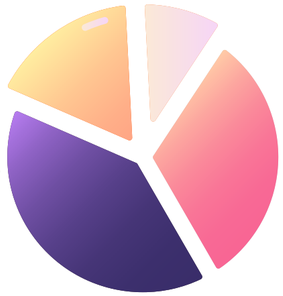

Benefit seekers: individuals looking for a product that solves their acne, aging and pigmentation problems
Loyalists: customers who are loyal to a brand
Trendsetters: influential individuals who tell their friends and family to use the product via word of mouth
Daily users: use the product on a daily basis as a part of their everyday skincare routine

Segmentation and Sizing (based on demographics)

Age Segmentation

our target market consists of women aged 21 to 45 in Pakistan.

total women population in Pakistan

age 21 to 45

approximately **39.7 million** women are aged 21 to 45.

Socio-Economic Segmentation

percentage of population of Pakistan in SEC A and SEC B
= **37%**

hence, women aged 21-45 in SEC A & B
= 37% of 39.7 million
= 14.7 million population

total market size = 14.7 million * 1100,
(where PKR 1100 is the price of the serum)
= **PKR 16.2 billion**

6P's of Marketing

Proposition → 3-in-1 multipurpose serum for fighting 3 challenges of hyperpigmentation, acne, and aging skin using 1 product

Product → PONDS Revivify: Rejuvenating Skin Serum (for all skin types) - carefully crafted formula contains natural ingredients like jojoba oil, honey, and vitamins B and E, along with glycolic acid for resurfacing

Price → Competitive price point that caters to the target market's budget - PKR 1100/=

Place ← Easily accessible through all major retailers, both online and offline in Pakistan
Also available through kiosks in reputable departmental stores like Al-Fatah & Carrefour

Promotion ← Various marketing channels including digital and social media ads, in-store promotions (especially in popular chains such as Imtiaz/Al-Fatah), influencer partnerships (mid-tier and macro influencers), and product reviews

Packaging ← Sleek and minimalistic design, with elegant typography that reflects the premium and luxurious nature of the product

TARGET CRITERIA

Colour Key

Profile:

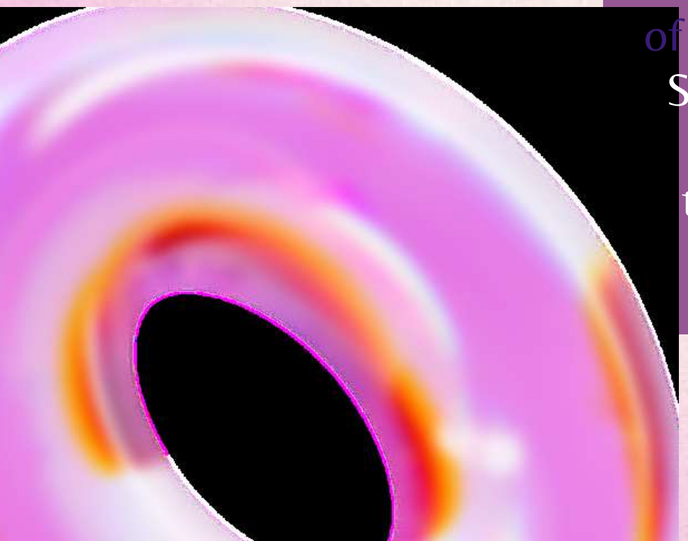

Motivation:

Attitude:

Lifestyle:

Our target segment consists of women aged 21-45 living in urban areas and deeply enthusiastic about skincare.

She is a modern, beauty conscious woman who values self-care and is conscious about her skin. At age 25, she is a working professional, and is also a part-time student who leads an active and busy lifestyle. She is looking for skincare products that are easy to use, can fit easily into her busy routine, and is a skincare solution that can solve multiple skin problems using one product. She has concerns about the appearance of her skin, and wants to maintain a youthful appearance. She is motivated by a desire to feel confident and comfortable in her own skin, and wishes to reduce visible signs of aging, dull skin and acne to achieve a more youthful, radiant complexion. She is willing to invest in good quality products that deliver results, and is deeply interested in taking care of her skin. She has a positive attitude towards skincare and sees it as a way to look beautiful while at work, at gatherings, or at university.

POSITIONING STRATEGY

Customer

- Women in the 20-45 year demographic, in urban areas with annual income of 1.2 million+
- Modern, beauty conscious & avid believers in skincare
- Working professionals or students; a busy lifestyle
- Looking for affordable skincare solutions
- Women who want to look and feel beautiful in their own skin
- Women looking for skincare products that are easy to use, can fit into busy routines, and are multipurpose i.e. one product solving multiple skincare problems at once
- Skincare challenges of aging and fine lines, hyperpigmentation, and skin scarring & acne

Company

- Experience in the industry since 1846
- Expertise in skin care industry
- Reliable and trustworthy brand
- High quality products
- 3 in 1 solution oriented, multipurpose product
- Provides effective and affordable skincare products

Competitors

- Focus on "skinnovation"
- Invest heavily in R&D
- Competitor brands charging more than Rs 1100 for skin serum, so seen as affordable yet luxurious
- Focus on good distribution channels to make product accessible
