BRAND PROPOSAL

Executive Summary

We are a new brand entering the frozen dessert market with a strong mission to become a household name and everyone's choice in the shortest time possible. The company aims to provide the premium flavors of ice-cream using the highest quality ingredients creating an unforgettable experience every single bite. Our values and promise to deliver the best quality products will always stay constant throughout the journey. This entrepreneurship venture started as a partnership of 3 people, all of us striving hard to achieve our goals. We wish and aim to place our all 4 flavors at your store to give easy access to the people interested in buying.

Our Vision

We aim to provide you a superior experience and a great value for money through our premium-flavored range.

Our Flavors

We've churned out 4 unique and delicious flavors to start with. Check out!

Cookie Dough

Rich flavored chocolate chip cookie dough chunks immersed in creamy vanilla; a perfect combination!

Mint Chocolate

Creamy vanilla scoop loaded with your favorite Mint fondant enrobed in rich dark chocolate giving you the best feeling of the after-eight chocolate!

Butterscotch

Creamy butterscotch Ice Cream with swirls of crunchy praline is your best bet!

Cadbury Chocolate

Raise your spoons to witness the real taste of cadbury chocolate in our creamy chocolate ice cream; a treat to your taste buds!

SIZE AND PRICE LIST

We provide our ice-cream flavors in 3 sizes : 250ml, 500ml, 1000ml
